Burgo should charge to our accounts and Christine will get the ppl info and travel info to you soon.

I am getting it second, third, fourth hand. We do the x funding label in our region with OCFO not the travel preparers names below, and we do the setting up of favorites.

As you know as Comptrollers especially this time of year it is good to know if People are not charging to our region even for a PP so we make sure annotate reports.

Are they talking with our resources and finance folks at the area and incident commands?

We've been giving the charging info out via deployment guide and our FsC down there Christine Portillos.

Hi Judi,

Just a heads up, we sent Burgo on a last minute response to Colorado and created a TA for him to mobilize tomorrow. Please note, Region 8 will be covering all expenses but in order to expedite the TA I temporarily used a Region 1 account which will be amended to reflect the accounting from Region 8 once received.
